

THE WOODLANDS TOWNSHIP LAW ENFORCMENT SERVICES

The Woodlands Township July 28, 2010

Alpha & Omega Mounted Courtesy Patrol

The Woodlands Township provides a vast array of public safety efforts that contribute to the safety and security of our residents and visitors. Of all of the initiatives, one in particular seems to stand out above the crowd, which is intentional.

Alpha & Omega Services, Inc. (A&O) provides mounted patrol services for The Woodlands Town Center and is a strategic part of the pubic safety and Tourism Oriented Policing effort. Today the A&O troopers and their horses are a recognized symbol of Town Center and are very popular among business owners, visitors and residents. Troopers immediately communicate public safety or emergency needs to the appropriate authority. In addition, their ability to see and be seen acts as a deterrent and provides a sense of security for those who live and work in our area.

Whether hot or cold, at various times of the year the Texas weather has visitors asking about the horses' care. The training and care that is incorporated into the program remains a top priority year round. The next time you're in Town Center, just ask one of the troopers and you will find that they are more than eager to tell you all about their horse. Just don't ask if you are in a hurry to leave.

Since 1994, A&O has been an important component of the Tourism Oriented Policing philosophy in the Town Center. Throughout the year, Mounted Troopers provide customer service and assist with security issues notifying security or law enforcement when appropriate.

It isn't often that a crime prevention initiative can provide statistics (because the crime or event doesn't occur—it is prevented). However, in the case of A&O, their statistics or actions at the least provide an insight into possible deterrence. In 2009, A&O provided assistance with the following security/safety challenges:

• Car Alarms—1,647

Lost Cars—277

Unsecured Vehicles—86

• Lockouts—52

Law Enforcement Assists—348

Security Assists—783

Additionally, A&O provided thousands of visual and personal escorts to visitors, customers, and business personnel. It should also be noted that because the Mounted Troopers have a daily familiarity of their patrol areas they are able to better process what belongs and what doesn't belong. This consistency (in an inconsistent area) provides for a heightened awareness.

Height Equals Visibility

• A uniformed Mounted Trooper sits 8 to 10 feet high on a stately horse, towing over the tops of parked vehicles and allowing exceptional visibility.

Adaptability

• Riders are able to maneuver easily in situations that are difficult, if not impossible for traditional patrols. Mounted Troopers can rapidly maneuver between parked vehicles and have a 360° range of vision.

Respect Leads to Reassurance

• The combination of a well-trained horse and Trooper command respect, creating unsurpassed efficiency in crowd management. The stately, groomed horses act as a bridge between customers and Troopers.

HORSE SENSE

During the hot summer months A&O often receives several inquiries regarding the care of the horses. Rest assured the health and safety of the animals is a number one priority. Remember, Troopers LOVE their horses and take special care and precautions not just during the summer months, but year round!

- Horses must have current health certificate
- Troopers typically have more than one horse
- Horses are restricted as to the number of hours they can work
- Horses are properly fed, watered, bathed, groomed and cared for prior to every shift
- Troopers know their horses and how to care for them when something is wrong, just as a parent knows something is wrong with their child and care for it appropriately
- After all, not only is this magnificent creature a partner in their livelihood, it is a part of their family!

PLEASE TAKE NOTE Effective March 1, 2010

On the following pages (5 through 9) the statistics now reflect the new "Zones" (Montgomery County)

Zone I—Grogan's Mill
Zone 2—Panther Creek
Zone 3—Indian Springs
Zone 4—Sterling Ridge
Zone 5—Alden Bridge
Zone 6—Cochran's Crossing
Zone 7—College Park
Zone 8—Town Center

With new "Zone" changes occurring we can no longer accurately compare zone-to-zone statistically, as zone boundaries have changed.

However, "Year-to-Date" for "all Zones" is an accurate comparison for all of The Woodlands (Montgomery County).

For up-to-date information from the Montgomery County Sheriff's Office, please visit their website at http://www.mocosheriff.com

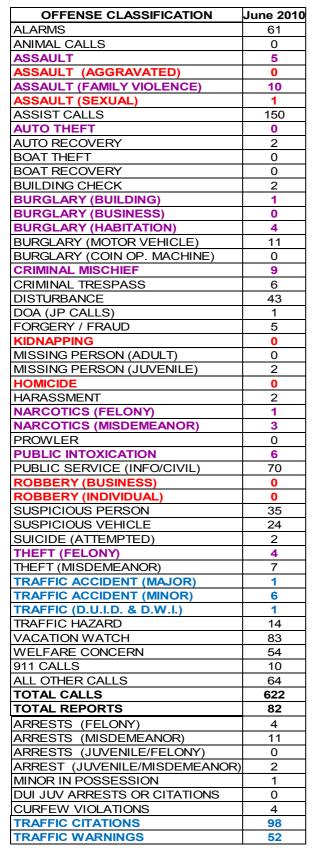

You can locate recent Media/Press Releases by clicking on the "Media Releases" box on the upper right hand side of the web page. Additionally, the website covers information regarding Open Records requests.

To comply with MCSO open records and public release policies, guidelines are set and very clear that all MCSO employees must comply "when certain information, if made public, would be injurious to a victim (i.e. sexual assault), a witness, or the successful investigation of a case, that information must be withheld and in some cases the release of certain information is prohibited by State or Federal law".

Often times neighbors or residents call the MCSO requesting information and are not involved in any way with the criminal investigation(s). The fact it is unknown who exactly is requesting and/or inquiring on these criminal cases poses the problem MCSO legally faces. Example...neighbors not directly involved calling MCSO and asking what is the status or details of a criminal case involving their neighbors or friends. No MCSO employee should or would give that information out. However, as a resident you are welcome to go through the proper open records procedures (found on the MCSO website) to obtain whatever information can be released by law.
